## The Fastline 102t Bogie Tanks Re-skin

---

### Copyright

The re-skin content included with this pack cannot be redistributed in any scenarios. You are not permitted to redistribute this pack or any re-skins from this pack.

### Rolling Stock

You must own the following assets which have been re-skinned for this package;

Fastline Simulations' 102t Bogie Tanks

This pack and the included scenario are for entertainment purposes only, the Livery Reskins are based on the BP, Shell and ESSO 100t Bogie Tanks Livery any errors are my own and are artistic licence to enhance the scenarios only. The scenarios are not based on real world routes nor are the timetables for Player and AI controlled trains. They are entirely fictitious and have been designed for entertainment, not for historical or real world reference.

# Re-Skin Pack

---

## Installation

To use the pack install the *FS 102t Tank reskins.exe* contained inside the *Fastline 102t Tank reskins* folder for the re-skins in this pack. The models of the re-skinned stock will be installed to your Train Simulator game. Marleyman's TS2012 Download Store do not accept responsibility for any damage to your installation or your PC.

One scenario for the Test Track is included (*102t Tanks reskin Test Track.rwp*) to check the re-skins show up in your game. Fastline 102t Tank reskin test install using the Utilities from your railworks folder;

*Steam\steamapps\common\railworks*

How to Install the re-skins, **open *Fastline 102t Tank reskins*** and double click **the *FS 102t Tank reskins.exe***, change the default install directory if required by clicking on the button ... this will install the skins listed below and copy the relevant shape files from the original models to the re-skin folders;

BP Green

BP Shell Crude

BP Shell Crude - Weathered

Esso

Esso Weathered

Shell

Shell Weathered

Double click on the exe file and direct the installer to your game folder.

## v1.0 Release

*v1.0 Initial Release*

Known Issues None

Revised body work paint by Marleyman

Special Thanks to the testers for Tech Help and testing of course.
