The Duchess and The Flying Scotsman

The Wedding Guests-The Palace of Holyroodhouse

This pair of scenarios were written just before the Royal Wedding in 2011. Since then updates have taken the scenario offline. Now it is back. This is a totally fictional scenario that I wrote for all the Romantic reasons that people love Steam Trains and what better occasion to drive 60103 The Flying Scotsman A3 Class and 6233 Duchess of Sutherland Princess Coronation Class, A Royal Wedding.

The Scenarios.

1. The Wedding Guests-The Palace of Holyroodhouse
2. Duchess The Wedding Guests-The Palace of Holyroodhouse

You must take the guests for The Marriage of his Royal Highness Prince William of Wales KG with Miss Catherine Middleton at Westminster Abbey on Friday 29 April 2011 at 11.00am, to the Scottish Palace at Holyroodhouse where they will view the Wedding and hold a 'bit of a do'. You will be driving 60103 A3 Flying Scotsman or 6233 Duchess of Sutherland Princess Coronation and you will collect the Guests of the happy couple. Meanwhile, 92228 Evening Star will collect Guests from Stirling. All three will meet in Edinburgh Waverly, what a Sight!
